**YOU ARE INVITED** to join an informational meeting for residents of Merrimack, Litchfield, Bedford and Londonderry to provide updates on the status of cancer in the community and address the community's questions hosted by NH Department of Health and Human Services (DHHS).

The agenda will include background on the DHHS protocol for responding to community concerns about cancer, history of the response in Merrimack, most recent data analysis, discussion of next steps in the investigation, and a question and answer session.

For more information about this meeting, please contact the DHHS Cancer Program at 603-271-4959. For additional information on the DHHS' on-going investigation into cancer concerns in Southern New Hampshire, please visit the NH Comprehensive Cancer Control website ([www.dhhs.nh.gov/dphs/cdpc/nhcccp.htm](http://www.dhhs.nh.gov/dphs/cdpc/nhcccp.htm)).
